Save Time and Money With PioneerBrite... Plus Get Brilliant Floors As Easy As 1-2-3.

The trademarked and copyrighted PioneerBrite **Floor Care Made Simple System™** is a unique DRY approach to the age-old problem of floor cleanliness and bright shine.

Features and benefits include:

- Breakthrough advanced chemical formulations
- Industry leading applied scientific methods
- Tested and proven applications for over 30 years at hundreds of businesses
- Complete training of your staff
- Management performance controls and protective procedures

Our **Floor Care Made Simple System™** was researched, tested and developed to help our clients accomplish three important, cost saving (up to 50%) results.

1. Offer a complete 1, 2, 3 Step-By-Step system of managed floor care and general cleaning and sanitization maintenance for all conventional type floor surfaces.
2. Provide a beautiful, durable, brite, clean, "wet look" finished, safe, slip resistant floor.
3. Reduce labor costs, materials cost, equipment costs, waste of supplies as well as management controls of all cleaning and sanitation through a one-source partnership and commitment.
